Product	Notes	Product Description	Item #	Color	Retail Price	UPC/EAN code	Size	Country of Origin
	NEW	Double set of Hinged doors - to make double door opening - low threshold (get \$150 credit if we substitute for a sliding door)	HDD	dark green or black	\$1,800.00	017783954871		Belgium
	NEW	Drop-Door Kit - for sliding doors - made by Exaco - this allows a standard Royal Victorian greenhouse to be placed on top of a perimeter wall - usually 20" - 36" high (24" might be best). This Kit does not include the new glass panels needed above the doors - they should be ordered locally to size. We can supply extra polycarbonate for customer to cut to size. NOTE: We strongly suggest to also use the new "Lowered Threshold" with "dropped" sliding doors. See above. Please have customer tell you/us exactly how high their wall will be - than we can cut parts to exact size.	Vic drop door - sliding door	dark green or black	\$250.00	017783954703		Belgium
		Drop-Door Kit - Hinged Door - made by Exaco - this allows a standard Royal Victorian greenhouse to be placed on top of a perimeter wall - usually 20" - 36" high (24" might be best). This Kit does not include the new glass panels needed above the doors - they should be ordered locally to size. We can supply extra polycarbonate for customer to cut to size. NOTE: we strongly recommend upgrading to Hinged Doors when greenhouse stands on a wall.	Vic drop door - hinged doors	dark green or black	\$100.00	017783954703		Belgium
Lexan panel - for drop door option		NOTE: Remember customer has to buy his/her own glass panel to fill the gap above the drop doors (28 3/4" wide x 3/16" thick x desired height) Tempered glass. Or we can supply a 1 or 2 pieces of LEXAN glazing panels - we need to know the size of the drop. We will add several inches and customer can trim to exact size needed with a electric jigsaw - with fine tooth blade.	VIC-Lexan (per panel)	clear	\$80.00

RIGA Accessories		July 2020 Special						
	unit with 9-foot power cord	Illumitex Eclipse GEN2 N Bar LED Grow Light Fixture F3 Spectrum with or without 9-foot long power cord - 4' long fixture w/12 LEDs to be installed 12"-36" above the plant canopy. Features 0-10 volt dimming, damp-rated and dust-resistant. May be daisy-chained. 5 year warranty. Made in Austin, TX. Note: Although this specific item has been discontinued at Illumitex we were able to obtain a large quantity of repossessed units from a "leasing company" which specializes in supplying the "pot" industry. These have been used less than 6 months - they come full warranted - but they might be dusty - they work normally. We are offering these at a greatly reduce price as long as inventory lasts.	GEN2N-PC (with power cord)	anodized aluminum	\$399.99	01778301485 8	4'	USA
	unit with 12" connection cord - for "daisy" chain		GEN2N	anodized aluminum	\$369.99	017783010492 6	4'	USA
