Product	Notes	Product Description	Item #	Color	Retail Price	Size	Country of Origin	Material
	NEW	Double set of Hinged doors - to make double door opening - low threshold (get \$150 credit if we substitute for a sliding door)	HDD	dark green or black	\$1,800.00		Belgium	
	NEW	Drop-Door Kit - for sliding doors - made by Exaco - this allows a standard Royal Victorian greenhouse to be placed on top of a perimeter wall - usually 20" - 36" high (24" might be best). This Kit does not include the new glass panels needed above the doors - they should be ordered locally to size. We can supply extra polycarbonate for customer to cut to size. NOTE: We strongly suggest to also use the new "Lowered Threshold" with "dropped" sliding doors. See above. Please have customer tell you/us exactly how high their wall will be - than we can cut parts to exact size.	Vic drop door - sliding door	dark green or black	\$250.00		Belgium	
	NEW	Drop-Door Kit - Hinged Door - made by Exaco - this allows a standard Royal Victorian greenhouse to be placed on top of a perimeter wall - usually 20" - 36" high (24" might be best). This Kit does not include the new glass panels needed above the doors - they should be ordered locally to size. We can supply extra polycarbonate for customer to cut to size. NOTE: we strongly recommend upgrading to Hinged Doors when greenhouse stands on a wall.	Vic drop door - hinged doors	dark green or black	\$100.00		Belgium
