<b>RIGA Accessories</b>		<b>July 2020 Special</b>																
	unit with 9-foot power cord	<b>Illumitec Eclipse GEN2 N Bar LED Grow Light Fixture F3 Spectrum with or without 9-foot long power cord</b> - 4' long fixture w/12 LEDs to be installed 12"-36" above the plant canopy. Features 0-10 volt dimming, damp-rated and dust-resistant. May be daisy-chained. 5 year warranty. Made in Austin, TX.  Note: Although this specific item has been discontinued at Illumitec we were able to obtain a large quantity of repossessed units from a "leasing company" which specializes in supplying the "pot" industry. These have been used less than 6 months - they come full warranted - but they might be dusty - they work normally. We are offering these at a greatly reduce price as long as inventory lasts. Germany	35	30	5	19	105	3.04	24	24	35.5	16	100% recycled copolymer plastics; 2.1 mm thick	
	<b>Good</b>	<b>ECO-master 450 liters/120 gal black:</b> Basic composter, side walls snap permanently together, large top lid, 2 doors at the bottom. Open bottom allows micro organisms to come up to materials to speed composting. Made from 100% recycled PP, 2.1 mm thick walls. Size: 27" x 27" x 40" H. From Graf in Germany.	628001	black	\$109.99	120 gal.	Germany	42	29	6	25	112	4.23	27	27	40	19	100% recycled copolymer plastics; 2.1 mm thick	
	<b>Better!</b>	<b>ECO-King 400 liters/110 gal green:</b> Basic composter - a step up from the Eco-Master. Sides snap permanently together, large double lid, and 2 bottom doors. Open bottom allows micro organisms from soil to speed composting. Made from 100% recycled PP, 2.3 mm thick walls. Made in Germany. 28" x 28" x 33" H.	627003	green	\$109.99	110 gal.	Germany	35	30	5	22	105	3.04	28	28	33	18	100% recycled copolymer plastics; 2.3 mm thick	
	<b>Better!</b>	<b>ECO-King 600 liters/160 gal green:</b> Basic composter - a step up from the Eco-Master. Sides snap permanently together, large double lid, and 2 bottom doors. Open bottom allows micro organisms from soil to speed composting. Made from 100% recycled PP, 2.3 mm thick walls. Made in Germany. Size: 31.5" x 31.5" x 37.5" H	627001	green	\$149.99	160 gal	Germany	40	33	7	30	120	5.35	31.5	31.5	37.5	24	100% recycled copolymer plastics; 2.3 mm thick	
	<b>Best</b>	<b>Thermo Wood composter 600 liter / 160 gal.</b> with Soil Fence: Looks like real wood grain. Made with Thermelon (air pockets for better insulation) 4.2 mm thick PP plastic (mostly recycled material). The latest high-end compost bin from Graf. Very large top opening covered by 2 hinged lids. Two removal doors at the bottom (opposite sides). Side walls come with hidden air holes for better ventilation. Includes: Soil Grid - rodent prevention. Size: 31.5" x 31.5" x 39.5" high - 40 lbs.	626051	black	\$279.99	160 gal	Germany	40	33	7	30	120	5.35	31.5	31.5	37.5	24	100% recycled copolymer plastics; 2.3 mm thick	
	<b>Better!</b>	<b>Thermo King 900 - 240 gal giant composter.</b> Made with Thermelon (air pockets for better insulation) 4.2 mm thick PP plastic (mostly recycled material). The Thermo King is stronger and more durable than most "regular" composters. Side walls "hook" together. Very large top loading door and two large doors for easy compost removal. Made in Germany. Size: 40" x 40" x 40"	ThermoKing 900	green	\$249.99	240 gal	Germany	43	32	7	51	121	5.57	40	40	40	46	PP Plastics with Thermelon technology - UV stabilized	
	<b>The BEST!</b>	<b>Thermo Star 1000 - 267 gal Jumbo Composter.</b> Made with Thermelon (air pockets for better insulation) 4.5 mm thick PP plastic (mostly recycled material). This is a step above the Thermo King - the 6 side walls are held together by thick rods. Has a top-loading door and any bottom wall section can be opened for easy compost removal. Made in Germany. Size: 50" x 50" x 41" H	Thermo Star 1000	olive green	\$299.99	267 gal	Germany	41	28	16	46	129	10.63	50	50	41	42	PP Plastics with Thermelon technology - UV stabilized	
<b>Composting Accessories:</b>																			
	<b>Great under "ordinary Composter"</b>	<b>Graf Soil Fence</b> - Prevents rodents from tunneling under composter, while still allowing microorganisms in the soil to access your materials to speed composting. Made for the Graf compost bins but they work with any open-bottom compost bin measuring less than 38" x 38".	Soil Fence	black	\$36.99	up to 38"	Germany	24	16	2	5	60	0.44	up to 38	up to 38	1	4	Polypropylene copolymer up to 100% recycled	
	<b>Speeds composting process</b>	<b>EM 1 Compost Activator</b> is a liquid concentrate of broad spectrum beneficial bacteria which work together to convert organic material into humus. EM 1 significantly speeds the composting breakdown process. It works well in low oxygen and anaerobic environments. Inactive ingredients: 96% water, 3% molasses, 1% active microorganisms. This is a certified organic liquid. Made in USA. Size: 1 quart	EM 1	n/a	\$29.99	32 oz.	USA	10	9	12	3	50	0.63	3.5	3.5	9	2.5	LIQUID
